Responsibilities

- Customization and Development: I had customized themes and templates, developed custom themes from scratch to match the brand's identity and meet the functional requirements of the online store. I used Shopify's Liquid templating language, HTML, CSS, and JavaScript for front-end development.
- App Integration: I integrated third-party apps to extend the functionality of the store, adding features such as payment gateways, shipping options, product reviews, and marketing tools.
- Optimization: As a Shopify developer I optimized the performance of the e-commerce site by implementing best practices for speed, SEO, and user experience. This includes optimizing images, minimizing code, and ensuring mobile responsiveness.
- Troubleshooting and Support: I diagnosed and resolved technical issues that arise on the Shopify platform, including bugs, errors, and performance issues. I provided ongoing support to ensure the smooth operation of the online store.
- Security and Compliance: As a Shopify developer I implemented security measures to protect customer data and ensure compliance with relevant regulations such as GDPR and PCI-DSS.
- Collaboration: I worked closely with designers, marketers, and other stakeholders to translate business requirements into technical solutions. Collaboration may involve participating in meetings, providing technical advice, and coordinating with other team members.
- Continuous Learning: Given the dynamic nature of e-commerce and technology, I stay updated with the latest trends, features, and best practices in web development and e-commerce.

Key Achievements

- Led the development of a lot of websites.
- Implemented custom Shopify themes and apps, resulting in 95% improvement in The Company.
- Implemented custom Wordpress themes and Plugins, resulting in 85% improvement in The Company.
- Collaborated with UX/UI designers to optimize the user experience and increase conversion rates.
- Conducted regular code reviews and implemented best practices, improving code quality by 85%.
